## WE ARE CHAMPIONS.

ATLANTIC LEAGUE RACE FINISHES WITH RICHMOND ON TOP.

## PENNANT COMES HERE THIS YEAR.

Race Was Exciting, But the Bluebirds Distanced Their Opponents and Won Out, Though by a Narrow Margin.

The ball is over. The Atlantic League season for 1898 ended last night and Richmond won the pennant.

The Bluebirds are the champions, and right well do they deserve the title, for they are the best aggregation of ball tossers ever gotten together with Elchmond inscribed across their breasts.

The Atlantic League race this seasor has been one of the most exciting ever played in the league, and in winning it the Richmond team fairly covered itself with glory. Still, the efforts of the local team have not been appreclated by the played in the league, and in winning it team have not been appreclated by the public, and the game throughout the season has been patronized by fewer people than has been the case any year since base-ball was revived here in 1893.

A MONEY-LOSING SEASON. The Richmond management has not had a gold-mine in its team. In previous years since the organization of the Vicginia State League Richmond had been a good paying base-ball town, and Mr. W. B. Bradley, who owned the team for four years, made considerable money each season. This year, however, the owners of the franchise have had to figure on a debit, rather than a credit

and they have sunk altogether about They do not despair, however. Indeed, they simply attribute the lack of pat-ronage to the great interest which has been taken in the war with Spain, and purpose continuing their base-ball enter-prise for another season, at least, and then, if the people do not patronize the game, the franchise may be surrendered.

In her losing experience, Richmond has not been alone. From all the facts now obtainable it appears that every club in the Atlantic League has lost money. The National League receipts were also very greatly diminished this year, but all are expecting great things next year. and the chances are that their expecta-tions will be realized. It has always been the case that after a bad season in base the interest in the game revived and the succeeding season was a most

HAS HAD A SCUFFLE.

Richmond has not had an easy time in winning this year's pennant. She has had to compete with strong clubs throughout the circuit, and has had to hustle first, last, and all the time. In the first place, Lancaster was a strong team, and was bent on winning the championship again Reading, too, was greatly strengthened, and from the beginning to the end of the season Denny Long's lads played great ball. Hartford played good ball towards the tall-end of the season, and Newark, but for the disorganization of the team in July, would have made a first-class show-Poor old Norfolk, though she start ed off at the beginning of the season with trumpets proclaiming to the base-ball world that she had the finest team that ever wore a minor league uniform, has been in the race at all, and turns up now at the close as tail-enders.

will leave for their homes to-night, while some of them go to play ball in other cities until cold weather puts a stop to out-of-door sport. Wells will manage here next year. That is a settled fact, and he will have most of the old players back here for another season.

The crowd was a large one, demon strating that the people of Richmond have not lost all interest in the great game, and the way the gathering of rooters rooted must have made the Reading players feel that they had but few

The first game started on time, with Reading at the bat, and the champions of 1898 in the field. Chesbro-Lucky, Jack Chesbro—commenced to pitch and seemed to feel like twirling, for he held the result in his hand. Reading was shut out, simply because Jack would not let them hit safe, and when they did, som one of the Champs got the ball. Fertsel pitched hard. He was up to win and did his level best to do so, but Richmond commenced to hit, run the bases, and ball in a manner that could not be checked.

From the start both Bishop and Garvin had a battle, and the Hero of Horrible Hill had the best of it.

Dundon was again on his mettle, and Klopf's work was pleasing. Seybold had several pretty running catches.

Manager Ned. Hanlon, of the Baitimore club, was in the grandstand to see the

work of some of the players. Denny Long. of the Reading team, wants to sell Fertsch, Heydon, and Cockman, and it is thought that the Oriole manager was here to watch their work. He did not see either of them do a great deal, but must certainly have been impressed with the work of several of the Richmond slub, headed by Seybold.

Autumn Cup Race Furnishes Sensa tional Finish Between the Friar and George Boyd, the Latter Wining-Jockey Barrett Injured.

MICHAEL DEFEATS TAYLOR.

He Wins Twenty-Mile Unlimited Paced Race in 35:42 3-5.

NEW YORK, September 10 .- Jimmy Michael, the Welshman, met his erstwhile conqueror, Major Taylor, the colored rider, in a twenty-mile unlimited paced race, on the Manhattan Beach blcycle-track this afternoon, and won from the negro in hollow style. Michael was smarting under his defeat of two weeks besides being cool, it is also getting very ago by Taylor, in the best two out of dry and dusty. Our farmers are putting three one-mile paced heats, and he pre-, in good work saving their fodder and to himself for to-day's contest, so as ... 5 9 24 11 1 kin and Warner.

Taylor, was clumsy in his pick-up of pace, and frequently lost it during the pace, and frequently lost it during the or four head of fine cattle in the last contest, while Michael's every movement few days on their Valmont farm, just was as perfect as clock-work. No records were equated during the

race. In the final mile Taylor rode poorly. In .545 the last lap Michael was two laps to the .537 good, while Taylor did not ride to the ,504 finish.

The official verdict of the judges was 423 that Michael won by a lap and a half 397 and 110 yards, which, fully calculated, is 331 about 1,000 yards. His time was 35:42 3-5.

Thousands had gathered there,
The young and fair,
The gay, the debonatr,
The day free from care,
And Grif was at his best.
He mowed the Pirates down, Grif did,
He twirted like one possessed,
His curves went galley west,
He did his ugliest,
Till Pittsburg couldn't rest—
But the rooters raised the grandstand lid
When Ryan slid!

Straight through the mud
Jeems Ryan slud!
He struck the bag with a sickening thud.
He plowed a road
While the rooters "O'd"
Who watched him wild-eyed as he slode.
And, 'mid their cheers,
They said, with tears,
"First time he's slid for forty years"!

"First time he's slid for forty years!"

History's pages,
In future ages.
When seers and sages
Have forgotten Paul Revere's wild ride,
Will tell how Ryan—
Jeems J. Ryan—
Went madly flyin'
Down to third in that great game!
How, with that slide,
That splendid slide,
That slashing slide,
That slippery slide,
He slid into imperishable fame.

WHOLESOME ADVICE. For People Whose Stomachs Are

Weak and Digestion Poor. Dr. Harlandson, whose opinion in diseases is worthy of attention, says when

a man or woman comes to me complaine ing of indigestion, loss of appetite, sour stomach, belching, sour watery-rising headaches, sieepiessness, lack of ambi-tion, and a general run-down, nervous condition, I advise them to take after each meal one or two of Stuart's Dyspepsia Tablets, allowing the tablet to dissolve in the mouth, and thus mingle with the food eaten. The result is, that the tood is speedily digested before it has time to sour and ferment. These tablets will digest food anyway, whether the stomach wants to or not, because they contain harmless digestive principles, vegetable essences, pepsin, and Golden Seal which supply just what the weak stomach lacks.

stomach lacks.

I have advised the tablets with great success, both in curing indigestion and to build up the tissues, increase flesh in thin, nervous patients, whose real whose trouble was dyspepsia, and as soon as the stomach was put to rights they did not know what sickness was.

A 50-cent package of Stuart's Dyspepsia Tablets can be bought at any drugstore, and as they are not a secret patent medicine, they can be used as often as de-sired with full assurance that they contain nothing harmful in the slightest degree; on the contrary, any one whose stomach is at all deranged will find great benefit from the use of Stuart's Dyspepsia Tablets. They will cure any form of stomach weakness or disease, except cancer of the stomach. Full-size package at druggists' 50 cents or fl. or by mail from Stuart Company, Marshall, Mich.
